

Fareham and Gosport based Teacher Training programme starts recruiting for September 2016

Fareham and Gosport Primary SCITT and Crofton Secondary School are keen to meet potential new trainee teachers. If you are interested in, or wondering about, training to be a teacher in a school whilst working alongside an inspiring class teacher, please contact us to arrange a visit.

We are intending to recruit 30 Primary and 12 Secondary trainee teachers, ready to start training in September 2016. We welcome applications from high quality graduates, and if you are interested in teaching Secondary pupils we are looking for graduates with expertise in Mathematics, English, Chemistry, Biology, Design & Technology and Music.

Over the past two years, Fareham and Gosport SCITT and Crofton Secondary School have trained 47 primary and secondary school teachers in the Fareham and Gosport area. With a 100% success rate, these qualified teachers were all offered full time employment at the end of their training.

An increasing number of local head teachers are keen to employ teachers who have trained in schools as they are found to be better prepared for their first year, having already spent a year working alongside expert class teacher mentors in a school.

Fareham and Gosport SCITT Accounting Officer and Head teacher of Harrison Road Primary School, Fareham, Carolyn Clarke, said: "In our SCITT, we have invested in "growing our own teachers", spotting talent and raw potential in local schools. This approach is working, and I'm thrilled that we have doubled our intake this year."

Aneelah Talukdar, Fareham and Gosport SCITT trainee, said: "I'm really excited to get started on SCITT training. I was working in a lab as a chemist last year, and decided that I wanted to become a primary school teacher. So far it's been great, everyone has been really supportive and friendly."

This year's trainee teachers come from a wide range of backgrounds, including two personal trainers, a probation officer, a self-employed performer, a chemist, a dancer, a stay at home Mum and an insurance broker.

Please come along to our Open Evenings at Fareham and Gosport Primary SCITT, Harrison Primary School on **TUESDAY 13th OCTOBER at 6pm & TUESDAY 10th NOVEMBER 2015 at 6pm.**

Visit the events page on our website for more details and to register your interest.
