Dear Miss Dudley,

I am having a great time because I have made some new friends and I had a awesome time. Also, I luckily got to ride a bumpy, golden carousel as slow as a slug and a sail. After that, I got to go to a posh, nice restaurant when I went there I had a delicious, drink, hot dinner it was roast beef and porridge pudding it had lots of chocolate and chip cookies. After, I had so many goes on the long, wide, westernearey slide. After the slide, I had disco and it was so fun when my new friends came. In a few days, I will come back soon lots of love Marie JK
